This post lists fast publishing Civil and Structural Engineering journals indexed in Scopus, Web of Science. These journals take less time to decision and publication.

The Latest list of Scopus indexed journals in civil engineering. Details like journal title, ISSN, Quartile are provided.

The list below consists of various scopus indexed journals for the year 2026. It is consolidated journals with publications. It also includes paid scopus indexed journals and scopus indexed ...

Scopus is Elsevier abstract and citation database launched in 2004. It covers nearly 36,377 titles from approximately 11,678 publishers. This web page aims to provide a list of Scopus indexed ...

The 100kW high power CPS three phase string inverters are designed for ground mount applications with 480Vac service voltage. The units are high performance, advanced and ...

Rated at 300 kilo-watts (continuous), this true sine wave unit can be operated with low voltage 800V DC input current and 480V AC output current. ...

Explore Q2 civil and structural engineering journals with complete details on quartile ranking, ISSN, and publisher information.

The easy to install and high performing hybrid inverter delivers continuous power for grid-tied or off-grid stand-alone solar power generation for large commercial systems with 480Vac three ...

This application note will discuss how to adapt OutBack Power 230V single phase inverters for 60 Hz 480V

three-phase applications using 3-phase autotransformers in a step-down/step-up ...

Here, we provide an updated list of scholarly, peer-reviewed civil and structural engineering journals. Some of these are open access journals, while others have a high impact factor.

designed specifically for the North American environment and grid. High efficiency at 98.5% peak and 98.0% CEC, wide operating voltages, broad temperature ranges, and a NEMA Type 4X ...

In this post, we list the top 100 Scopus Indexed Journals for Civil Engineering. Details like Journal Title, Publisher, ISSN, and SJR are provided.
