-----

Stars Series 215kWh Cabinet ESS is a smart, modular energy storage system for C& I and microgrid applications. It offers high safety with multi-level BMS and fire protection, efficient ...

Winline 215kWh Air-cooled Energy Storage Cabinet ...

With a modular PCS design and front-access outdoor cabinet, it enables reliable power supply, fast deployment, and easy expansion in both on-grid and off-grid scenarios.

Winline 215kWh Air-cooled Energy Storage Cabinet converges leading EV charging technology for electric vehicle fast charging.

HISbatt 215-A comes with an integrated cooling system (HVAC), a fire suppression system, and a power inverter installed with the safest LFP battery cells. Besides this, our cabinet housing is ...

HJ-ESS-215A is a high-capacity air-cooled energy storage system designed for outdoor industrial and commercial applications.

The Air-cooled C& I (Commercial and Industrial) Battery Energy Storage System (BESS) Cabinet is a versatile energy storage solution designed for a wide range of users across various ...

THES38BA-100/215 air-cooled energy storage cabinet with 100kW/215kWh capacity. High-efficiency LFP system with >6000 cycle life for data centers, renewables, and backup power.

Discover the 215 KWh-1075 KWh Outdoor Air-Cooled Energy Storage System by Huijue Group, offering scalable, efficient, and reliable energy storage for industrial and commercial use. Ideal ...
