The Public Utilities Regulatory Commission (PURC) of Grenada is inviting expressions of interest (EOIs) for a renewable energy ...

Grenada Electricity Services (Grenlec) is searching for consultants to support the construction of a BESS at Maurice Bishop International Airport. The tender details state that ...

The Grenada Utilities Regulatory Commission is inviting expressions of interest for a 15.1 MW solar power project at Maurice Bishop International Airport, potentially including a 10.6 ...

The project seeks to integrate three solar photovoltaic generating facilities totalling a 15.1MW capacity and a 10.6MW/21.2MWh Battery Energy Storage System (BESS), with the ...

Our geothermal project is currently in its exploration drilling phase. If the exploration is successful, it will prove that Grenada has sufficient natural underground geothermal resources to generate ...

PURC is seeking an IPP to build and operate either a 15.1MW standalone solar PV plant or a solar-plus-storage plant combining ...

The Public Utilities Regulatory Commission (PURC) of Grenada is inviting expressions of interest (EOIs) for a renewable energy project at the island nation's main ...

PURC is seeking an IPP to build and operate either a 15.1MW standalone solar PV plant or a solar-plus-storage plant combining 15.1MW of solar PV and a 10.6MW/21.2MWh ...

With solar and wind projects expanding across Carriacou and mainland Grenada, reliable storage solutions

now rank as critical infrastructure. This article analyzes the top-ranked energy ...

While other storage projects struggle with the "valley of death" between pilot and scale-up, Grenada's model achieved profitability within 18 months - a first for developing ...

Provide the solar PV and battery storage IPP market with the opportunity to share critical project-related information, such as the estimated project duration and estimated plant space ...

To support this project, it seeks to hire an Owner's Engineer (OE) for the construction of a battery energy storage system (BESS) and associated transmission system ...
