Felicity's battery combiner box range offers a simple, reliable way to manage multiple batteries in one system. With strong protective features, durable construction, and easy integration, these ...

Pair it with the 6000XP inverter (6kW, 8kW PV) for mid-sized systems, or the 12000XP inverter (12kW, 24kW PV) for larger setups. Together, the kits deliver complete off-grid power for ...

Shop our professional battery and solar panel combiner boxes for safe, efficient solar power distribution. Essential for off-grid and hybrid systems.

Giosolar Pure Sine power inverter provides true 5000W continuous power and 10000W peak power. DC 24V to AC 110V/120V pure sine wave technology saves more energy ...

Felicity's battery combiner box range offers a simple, reliable way to manage multiple batteries in one system. With strong protective features, durable ...

Heavy Duty Trolling Motor battery box including 12V 100Ah Lithium battery all in one PowerStation turns your normal 12V battery into a multi-functional power box. This battery box ...

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Solar systems with batteries provide a reliable source of energy regardless of weather conditions or utility prices. Shop our solar panel and battery kits here.

Microgreen offers large-scale energy storage that is reliable in harsh environments, cost effective with top
