-----  
Where is Laayoune located?

In 2023, Laayoune is the capital of the Laayoune-Sakia El Hamra region administered by Morocco, it is still under the supervision of MINURSO, a UN mission. The town is located south of the dry river of Saguia el-Hamra, where the old lower town constructed by Spanish colonists is located.

How did Laayoune become a city?

Laayoune (also El-Aaiun, El-Ayoun, al-Ayun) is both the largest city in Western Sahara and the capital of one of the three provinces that Morocco established in the territory. The discovery of potable water at the site resulted in the establishment of a Spanish military garrison in 1938, marking the beginning of the town.

What are the most ambitious projects in Laayoune?

One of the most ambitious projects in Laayoune is the construction of the Mohammed VI Polytechnic University (UM6P) campus as part of the Fom El Oued Technopole. Launched in 2025, this 600-hectare development, with an investment of nearly 2 billion dirhams, is a game-changer for education and innovation in the region.

How will the port of Laayoune improve in 2025?

In 2025, the Port of Laayoune is undergoing upgrades to handle increased cargo and support the fishing industry, a cornerstone of the local economy. These improvements include deeper berths, modernized facilities, and enhanced logistics systems to streamline exports of fish and phosphate, a key resource in the region.

This site lists only those locations approved by the individual service branch. If you cannot find the installation you are looking for, select the closest installation in that state or country.

Motorable tracks abound in the country's extremely flat terrain, but there are few paved roads. There is regular air service between Laayoune and Al-Dakhla (formerly Villa Cisneros) and ...
